7. Can I cancel my plan?

You may cancel your plan by giving a written notice to the Company. Buying an investment-linked insurance plan is a long-term financial commitment. It is not advisable to hold this plan for a short period of time as the early cancellation of your plan may result in high cost; the redemption value depends on the current market value of the underlying asset in the fund. Thus the redemption value received on cancellation (if any) may be less than the total premium paid. If the Policyholder finds that the fund chosen is no longer appropriate, the Policyholder has the option to change funds. There is no total investment value for rider(s) attached to your plan.

8. What do I need to do if there are changes to my / my nominee(s) contact details?
