FURTHER BENEFITS OF THIS SCHEME
Critical Illness and Total Permanent Disability (TPD)

Critical Illness Benefit will become payable once a registered medical practitioner has confirmed that the Life Assured is diagnosed with one of the 45 Critical Illnesses.

TPD in respect of any Life Assured must be certified by a registered medical practitioner appointed by Company, to have continued for at least six (6) months from the date of disability.

• **Proposals accepted under Special Promotion with no underwriting**

1. If a claim for TPD or Critical Illness arises within the first six (6) months from the commencement date of the insurance and such claims events are not due to accidents, 50% of the TPD Benefit or Critical Illness Benefit is payable and thereafter the assurance in respect of the Life Assured will automatically terminate.
2. Full claim on TPD Benefit or Critical Illness Benefit is payable after six (6) months from the commencement date of the assurance.
3. No benefit shall be payable for any TPD or Critical Illness arising from any pre-existing TPD or pre-existing Critical Illness or for any Critical Illness diagnosed within the first sixty (60) days from the commencement date of the assurance.

• **Proposal accepted with underwriting**

1. Full sum assured is payable upon occurrence of TPD or Critical Illness.
2. No benefit is payable for any Critical Illness which has existed prior to or before the effective date of the Life Assured coverage and for illness which is first diagnosed within the first sixty (60) days from the commencement date of the assurance.
3. No benefit will be payable if TPD is due to pre-existing TPD.

- The coverage for any Life Assured under this Policy will cease once a claim is paid for either TPD Benefit or Critical Illness Benefit.

Death (due to illness or natural cause)

• **Proposals accepted under Special Promotion, with no underwriting**

1. Full sum assured is payable upon occurrence of death.
2. However, if a claim on Death arises within the first two (2) years of the commencement date of the insurance due to pre-existing disorder, 50% of the Death Benefit is payable and thereafter the assurance in respect of the Life Assured will automatically terminate.
3. Full claim on Death Benefit is payable after two (2) years of the commencement date of the assurance.

• **Proposal accepted with underwriting**

1. Full sum assured is payable upon occurrence of death.
2. However no benefit will be payable if death is due to a pre-existing condition which was not disclosed to the Company.

- The coverage for any Life Assured under this Policy will cease once a claim is paid for this Benefit

Death and Permanent Disability (due to accidental causes)

- The Sum Assured payable for Death/TPD due to an accident would be double the basic sum assured. The amount of claim payable for partial and permanent disabilities will be in accordance with the Schedule of Compensation as stated in the Master Policy.

Retirement Fund

- Upon attaining age sixty-five (65) years next birthday, the Life Assured is eligible to redeem all his units available under the Dana Gemilang and the redemption value will be based on the net asset value, provided that the Life Assured has not made any claim, which resulted in the termination of this assurance.

Surrender Value

- If a Life Assured elects to surrender his assurance before attaining age sixty-five (65) years next birthday, subject to a minimum of twelve (12) months of continuous participation, the Life Assured is eligible to redeem all his units available under the Dana Gemilang and the redemption value will be based on the Net Asset Value.

Funeral Expenses

- This benefit is payable in addition to the Death Benefit.

Hospitalisation Benefit

- If a Life Assured is hospitalised in any registered government or private hospital in Malaysia, Brunei and Singapore due to any illness after thirty (30) days from the commencement date of his assurance or due to any injury or accident during the period of insurance, the Life Assured is eligible for hospitalisation allowance up to a maximum of five-hundred (500) days per life.
- However this benefit is not payable for hospitalisation due to pre-existing illness.
- If a Life Assured is hospitalised in any registered government or private hospital in Malaysia, Brunei and Singapore for Intensive Care Unit after thirty (30) days from the commencement date of the assurance or due to an Accident during the period of insurance, the Life Assured is eligible for hospitalisation allowance for the duration of the hospitalisation.
- If an Assured Child is hospitalised due to any cause, or Intensive Care Unit (ICU) or due to an Accident, the amount of daily hospitalisation benefit shall be reduced in accordance with the following table:

Age Next Birthday	Amount Payable for Daily Hospitalisation Benefit
1	50% of the daily hospitalisation benefit
2	75% of the daily hospitalisation benefit
3 & above	100% of the daily hospitalisation benefit
*the minimum age for an Assured Child to be eligible for Hospitalisation Benefit is one (1) month

Important Notice:

1. This proposal is only valid for a period of six (6) months from the proposal date. Completed proposal forms should be returned immediately to avoid any delay.
2. In accordance with Paragraph 10 (2), Schedule 8 of the Financial Services Act 2013, the co-ordinator of the Scheme will receive 2% from the total premium as a service fee.
3. Purchasing an investment linked insurance plan is a long-term commitment. Early cancellation of the policy may result in high cost, the redemption value also depends on the current market value of the underlying asset in the fund. Thus the redemption value may be lesser than the total premium paid. **This is an insurance product that is tied to the performance of the underlying assets, and is not a pure investment product such as unit trusts.**
4. You are also advised to read and understand the Sales Illustration, Product Disclosure Sheet and Fund Fact Sheet which may be obtained from your respective master policy holder/ agent for better understanding about this scheme. Should you require additional information about investment-linked insurance and medical and health insurance, please refer to the relevant *insuranceinfo* booklet available at www.insuranceinfo.com.my
5. Pursuant to Paragraph 2, Schedule 8 of the Financial Services Act 2013, a Life Assured shall have fifteen (15) days from the date of receipt of the Certificate of Assurance to examine the terms and conditions. Life Assured may terminate the policy within the fifteen (15) days free-look period. If the Certificate of Assurance is terminated during this period, the Company shall refund an amount equaled to the sum of (a) total investment values of the assurance based on the net asset value (NAV) at the valuation date; and (b) the investment values of the units which have been cancelled to pay for insurance charges and policy fees based on the net asset value (NAV) at the next valuation date; and (c) the amount of premiums that have not been allocated to purchase units; minus the expenses incurred for medical examination, if any.
6. The Company reserves the right, to vary the rates in the Schedules of Benefits and/or the Premium Rates and/or the terms and provisions of this Policy (including the General Conditions and the General Provisions) from time to time as it may deem fit, upon giving the Policyholder three (3) months' advance notice in writing of its intention to do so.
7. The brochure is for general information only. It is not a contract of insurance. The exclusions and limitations of benefits highlighted above may not be exhaustive. For further information, reference shall be made to the terms and conditions specified in the policy issued by Great Eastern Life Assurance (Malaysia) Berhad.
8. You should satisfy yourself that this plan will best serve your needs and that the premium payable under the policy is an amount you can afford.
9. The insurance charges are not guaranteed and may be revised from time to time. Upward revision of insurance charges, if any, will be done on your policy anniversary and we will notify you in writing at least three (3) months before the revision takes place. The Company reserves the right to revise the benefit structure and restrictions/limitations for the Hospitalisation Benefit Rider on policy anniversary or upon renewal by giving at least thirty (30) days' notice.
10. Risk charge on the 1st inception year will be based on the project data sheet that is being provided by the Master Policy Holder to the Company, and The Company will revise the risk charge after 1st year of scheme anniversary.
11. This is not a Shariah-compliant product.
12. If there is any discrepancy between the English and Bahasa Malaysia versions of this document, the English version shall prevail.
